Product Description

STIHL RZ 261 Zero Turn Mower

Whether it's a large residential lawn or farm and ranch property, the STIHL RZ 261 is the largest consumer model of zero-turn mower in the STIHL lineup, making it the ideal fit for a range of properties. Powered by its reliable 25 hp V-Twin Briggs & Stratton® engine and built on a versatile four-wheel suspension system with adjustable rear shock absorbers, the STIHL RZ 261 delivers the power to take on the job, plus the support to get it done comfortably. The Hydro-Gear® ZT-3100 transaxles enable 8.5 mph forward ground speed for smooth and efficient cutting. Two USB-A ports allow users to charge devices while mowing, helping make the STIHL RZ 261 a fantastic combination of performance, comfort and capability.
