Product Description

Ferris ISXTM 2200 52" Zero Turn Mowers

THE LEADER IN SUSPENSION TECHNOLOGY FOR TURF

Take productivity and comfort up a notch. The ISX TM 2200 boasts our most advanced suspension technology – ForeFront TM Suspension, ensuring operator comfort. A 2-belt iCD TM cutting system delivers unrivaled cut quality and the heavy-duty Hydro-Gear® ZT-4400 TM Transaxle drive system provides power and durability to get the job done.
