Product Description

Ferris IS 700Z 60" Zero Turn Mower

COMMERCIAL COMPONENTS AT AN AMAZING VALUE FOR LANDSCAPERS AND LARGE PROPERTY OWNERS

Mow more lawn in less time. The IS® 700 Series, with up to five feet of cutting width, features our patented suspension technology, iCD™ Cutting System, heavy-duty Hydro-Gear ZT-3200® drive system, and a top speed of 10 mph. This mower is full of features to improve the quality of cut and increase productivity and comfort.

Features

- **60" Cutting Deck** - Wide deck provides efficient coverage for large commercial properties.
- **B&S CXi Engine** - 27 HP engine delivers reliable, high-performance mowing power.
- **iCD™ Cutting System** - Patented system enhances cut quality and consistency across various conditions.
- **Patented Suspension Technology** - Improves operator comfort and reduces fatigue during long mowing sessions.
- **Hydro-Gear ZT-3200® Drive System** - Heavy-duty transmission ensures durable, smooth zero-turn performance.
- **Top Speed Up to 10 mph** - Enables fast, efficient mowing without sacrificing control.
- **Commercial-Grade Construction** - Built for landscapers and large property owners requiring reliability and productivity.

Best Use

- **Commercial Landscaping** - Ideal for professional crews maintaining large properties.
- **Large Lawns and Open Areas** - 60" deck reduces mowing time while maintaining precision.
- **Operators Seeking Comfort** - Suspension platform and ergonomic features improve all-day usability.
- **High-Performance Precision Mowing** - Hydro-Gear drive and iCD™ system provide consistent, high-

quality cuts.
