Product Description

Bad Boy ZT Elite 60" Briggs w/ Maverick Seat Zero-Turn Mower BZS60CXI27

The ZT Elite has long been our biggest seller, and it's no wonder why. This mower is built as tough as they come with our patented front suspension and superior comfort. You'll get a quality cut at an even better price.

Formed from tough 7-gauge steel with reinforced edges, the unique baffling system maximizes airflow for greater grass lift and a cleaner cut. You can easily adjust the deck height to get your lawn looking exactly how you want.

The ZT Elite now has 6 powerful engines to choose from - including limited-edition options from Kohler and Briggs. These reliable engines perform year after year, season after season.

Features

- **Briggs CXI27 810cc Engine** - Delivers reliable gas-powered performance with 27 HP for demanding mowing tasks.
- **60" Cutting Deck** - Covers more ground per pass to improve mowing efficiency on larger residential properties.
- **Fabricated Deck Construction** - Built for durability and long-term performance.
- **7-Gauge Steel Deck** - Formed from tough steel with reinforced edges for added strength and longevity.
- **Patented Front Suspension** - Enhances operator comfort while mowing across varying terrain.
- **Advanced Baffling System** - Maximizes airflow for improved grass lift and a cleaner cut.
- **Adjustable Deck Height** - Allows users to customize cutting height for their preferred lawn appearance.

Best Use

- **Large Residential Properties** - Ideal for homeowners maintaining expansive lawns and open spaces.
- **Routine Lawn Maintenance** - Designed to deliver efficient mowing performance throughout the

growing season.

- **Comfort-Focused Mowing** - Patented front suspension helps provide a smoother mowing experience.
- **Equipment Comparison Research** - A practical option for homeowners evaluating [battery vs gas mower](#) solutions.
- **Complete Property Care** - Complements homeowners and professionals utilizing [Yard Stop Landscaping Service](#) for ongoing lawn maintenance needs.
