Product Description

RT Pro 54" Briggs and Stratton

A full-sized mower at a mid-sized price. It’s no wonder RT-Pro has become one of Spartan’s biggest selling mowers. Parker all-hydraulic transmissions, Briggs and Kawasaki engines, huge 24” radial traction tires, and Folding ROPS. The RT-Pro is packed with more advantages than any other competitor!

- 24” Rear Radial Drive Tires
- 360 Degree Seat Plate
- Comfortable Seat
- 2 Bearing Spindles
- Adjustable Steering Arms
- 6” Deep Deck
- 9 mph Top Speed
- 18,500 FPM Blade Tip Speed

More bang for your buck...that's what you'll find with the RT-Pro. Choose from a 54", 61" or 72" deck size and the Vanguard® 810 26 hp, the Kawasaki FX801V 25.5 hp or the Vanguard® Big Block 36 hp engines.
