Product Description

Ferris FW25 36" Walk Behind Mower

COMPACT, SELF-PROPELLED MOWER FOR THE LANDSCAPE PROFESSIONAL

Your crew will breeze through jobs with the easy-to-use controls, electric start option, and 6 mph top ground speed on the FW25 walk-behind. With a choice of 36" and 48" deck widths, the FW25 fits most small sheds and trailers, while delivering superior control for navigating thick turf, surface imperfections, and hills.

Why Choose the Ferris FW25 36" Walk Behind Mower?

- **Powerful 18.5 HP FS600V Engine** - Reliable gas-powered performance for commercial landscaping demands.
- **36" Compact Deck Size** - Ideal for tight spaces while maintaining excellent productivity.
- **Self-Propelled with 6 MPH Top Speed** - Increased efficiency to help crews complete jobs faster.
- **Centralized Controls** - Easy-to-use control layout for smooth, intuitive operation.
- **Superior Maneuverability** - Handles thick turf, uneven terrain, and hills with confidence.

Best Use

- Professional landscaping crews
- Properties with gates and narrow access points
- Commercial lawn maintenance contracts
- Hills and uneven terrain
- Crews needing compact transport and storage solutions

Compact Commercial Walk-Behind Mower Built for Productivity
