Product Description

Ferris ProCut™ S 61" Front Mount Mower

OWN YOUR ENVIRONMENT IN ANY SEASON

Getting under low branches and along fencing is quick work for the front-mounted deck of the ProCut S. Easy to use and service, the ProCut S has high visibility and optional attachments to add to the utility. Choose a Briggs & Stratton® Commercial Series 810cc engine, packing 27 gross hp*, or the Kawasaki FS730V 726cc, with 24 gross hp**.

Features

- **61" Front-Mounted Deck** - Provides excellent visibility and allows easy trimming under low branches and along fences.
- **Kawasaki® FS730V Engine** - 24 HP gas engine delivers reliable commercial power and consistent cutting performance.
- **3-Wheel Hydro Rider System** - Designed for smooth maneuverability and efficient handling in tight mowing environments.
- **High-Visibility Operation** - Front-deck layout improves operator sightlines for more precise cutting control.
- **Service-Friendly Design** - Built for easier maintenance access to reduce downtime and improve productivity.
- **Commercial-Grade Construction** - Engineered for durability and dependable daily use in professional landscaping applications.

Best Use

- **Professional Landscaping Crews** - Ideal for contractors needing precision cutting and strong maneuverability.

- **Fence Lines and Obstacles** - Front-mounted deck makes it easier to mow around structures and tight spaces.
- **Seasonal Lawn Maintenance** - Reliable performance supports consistent upkeep across changing conditions.
- **Eco-Aware Equipment Planning** - Suitable for operators comparing efficiency and emissions considerations, including insights from [battery-powered mowers vs gas mowers the carbon impact](#).

Front Mount Commercial Mower for Precision Landscape Cutting

The Ferris ProCut™ S 61" Front Mount Mower delivers dependable performance with its 61-inch front-mounted deck, Kawasaki® FS730V engine, and hydro rider system.
