### Product Description

## Wright Stander I 36" Floating Deck Stand On Mower

COMPACT & MANEUVERABLE.

Designed for maximum productivity in a lightweight and compact footprint, the Stander® I is feature rich and powerful. With its nimble design and balanced weight distribution, the Intensity delivers high-performance season after season.

### Features

- **36" Floating Deck** - Provides a smooth, consistent cut while adapting to uneven terrain for professional results.
- **19 HP Kawasaki® FX600E Engine** - Delivers reliable commercial-grade power in a compact stand-on design.
- **Compact Lightweight Frame** - Built for maximum productivity in tight spaces and confined job sites.
- **Balanced Weight Distribution** - Improves stability and control for efficient maneuverability.
- **Stand-On Operator Platform** - Enhances visibility and allows quick on/off efficiency for crew productivity.
- **High Maneuverability Design** - Ideal for navigating obstacles and complex lawn layouts.
- **2025 Model Build** - Latest design improvements for durability and operator performance.

### Best Use

- **Commercial Lawn Maintenance** - Perfect for landscaping crews handling residential and light commercial properties.
- **Tight Access Areas** - Ideal for properties with narrow gates, fences, and complex layouts.
- **Multi-Property Routes** - Efficient for contractors managing multiple small to mid-size jobs.
- **Precision Lawn Care** - Works well for detail-oriented mowing where control and visibility matter.
