Product Description

Wright Stander X 48" Floating Deck Stand On Mower

VERSATILE & INTERMEDIATE.

Built on decades of continuous development, the Stander® X Gen2 is the latest in Stand-on technology. Every detail has been refined to give the operator a superior mowing experience. Progressive platform suspension allows for all-day comfort, ball-bearing controls give tactile feedback, and the robust electrical system allows for maximum uptime. These details combine to create a cohesive high-performance mower. Look no further than the Stander X for a mid-size commercial-grade workhorse.

Features

- **48" Floating Deck** - Provides smooth, professional-grade cutting with excellent ground-following capability.
- **FX730E Engine** - 23.5 HP engine delivers reliable performance for commercial stand-on mowing.
- **Progressive Platform Suspension** - Enhances all-day operator comfort and reduces fatigue.
- **Ball-Bearing Controls** - Provides precise, tactile feedback for better handling and control.
- **Robust Electrical System** - Designed for maximum uptime and reliable operation.
- **Commercial-Grade Construction** - Built to withstand frequent use in demanding landscaping conditions.
- **Mid-Size Versatility** - Ideal for properties requiring a balance of maneuverability and coverage.

Best Use

- **Commercial Landscaping** - Perfect for landscapers managing mid-size properties.
- **Precision Mowing** - Floating deck and responsive controls provide clean cuts around obstacles.
- **Operators Prioritizing Comfort** - Suspension platform and ergonomic features reduce fatigue.
- **Reliable All-Day Operation** - Robust electrical and mechanical systems ensure continuous

productivity.
