Product Description

Wright Velke HC 48" Floating Deck Walk Behind Mower

LIGHT & COMFORTABLE.

The WVGC, WVHC, and WVLC series of Walk-Behind mowers offer the operator a range from lower cost gear drive, medium range hydro, and large frame hydros with the same easy-to-use controls and floating decks (except 32").

Key Features

- **48" Floating Deck** - Provides smooth, consistent cutting performance and adapts to uneven terrain for professional results.
- **FS600E Engine** - Gas-powered engine delivering 18.5 HP for reliable walk-behind performance.
- **Lightweight Design** - Built for easy handling and operator comfort during extended mowing sessions.
- **Easy-to-Use Controls** - Simplified operation reduces fatigue and improves efficiency.
- **Commercial-Grade Construction** - Durable design ensures long-lasting performance for professional landscaping.

Best Use

- **Commercial Lawn Care** - Ideal for landscapers who need precision and control in walk-behind applications.
- **Medium-Sized Properties** - 48" deck increases efficiency for parks, campuses, and commercial grounds.
- **Uneven Terrain** - Floating deck provides consistent cutting on slopes and irregular surfaces.

- **Professional Walk-Behind Mowing** - Designed for contractors seeking reliable, low-maintenance operation.
