Product Description

Wright Velke LC 52" Floating Deck Walk Behind Mower

LIGHT & COMFORTABLE.

The WVGC, WVHC, and WVLC series of Walk-Behind mowers offer the operator a range from lower cost gear drive, medium range hydro, and large frame hydros with the same easy-to-use controls and floating decks (except 32").

Why Choose the Wright Velke LC 52"

- **52" Floating Deck** - Superior contour-following capability for an even, professional cut
- **23.5 HP Kawasaki FX730E Engine** - Commercial-grade power and reliability
- **Hydro Drive System** - Smooth, responsive control for precision maneuvering
- **Large Frame Design** - Built for durability and demanding commercial use
- **Simple, Easy-to-Use Controls** - Operator-friendly design for increased productivity
- **Lightweight & Balanced** - Reduces operator fatigue during long mowing days

Best For

- Commercial landscaping crews
- Large residential and estate properties
- Weekly route mowing
- Properties with uneven terrain
- Operators who prefer walk-behind versatility

Light Feel. Heavy-Duty Performance.

The Wright Velke LC 52" Floating Deck Walk-Behind combines commercial durability with operator comfort. Its floating deck design adapts to changing terrain for a consistent, clean cut, while the powerful Kawasaki FX730E engine delivers reliable performance day after day.
