Product Description

Wright ZXT 61" EFI Zero Turn Mower

POWERFUL. COMFORTABLE. LOW MAINTENANCE.

The all-new ZXT encompasses our mission as a company: Serving landscape professionals through building machines with high productivity, excessive power, extremely low maintenance, and extended service intervals. We have implemented features like a 40HP EFI engine, Oil Guard 500hr system, 1000hr hydro oil system, 3x Extended Air Filter, 26” rear tires, 6” long travel suspension – all of this to help you do your job more efficiently, more comfortably and with less head-ache of unexpected maintenance, ultimately allowing you to make more money in less time.
